We get very Valuable Service from this Clinic. Because For us it is very easy to come to the Clinic rather than Going to the Base Hospital. I express it is very important to our poor village too. At last I request humbly to Continue this Clinic further. Thank you.

 මෙම සායනයන් ඉතා වැදගත් වන්නට  
 ලැබේ. එහි මේද ආයතනවලින් පාලනය  
 වන රෝගීන්ට මහා සහනය වන බවට පියවර  
 ගෙනීමට සායනය පවත්වා ගැනීම. මෙම දිනට  
 ගමනට පවා වැදගත් වන ප්‍රකාරයට මේ  
 ඉහත සායනයන්ට වැදගත් වන්නේ එම ආයතන

රියල් රෙහිපිත් -සායනය  
 මෙම සායනය මගින් ඉතා වැදගත් සේවාවන් සැලසේ.  
 මේද යන් ඉතා ම කෙසෙත් ඉතිරි සඳහා කෙලින්ම පැමිණීමට  
 ආවේලේ කාර්ය සඳහා යා යුතු වේ. එම නිසා ඉතා වැදගත්  
 සායනය වශයෙන් මෙහි පවත්වා ගැනීමට මෙය දිරිස සහනයක්  
 ලෙසින් ඉල්ලා සිටිමු.

The Clinic that has functioned by Real Medicine Foundation is very Important to us. Another important issue I am requesting from this institution to organize Specialized Clinics to us and also I like to request another important request to Hold Special Eye Clinics and to provide Eye Glasses To the needy.

The free Medicinal Facilitation that has given to us by Real Medicine Foundation is a priceless Resource to the poor Community. Thank you.

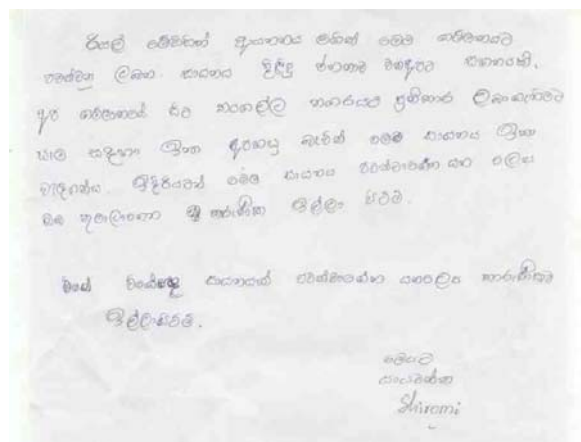

Yours, Mr.Kumara .H.Asitha, Yayawatta Village

The Clinic that has functioned by Real Medicine Foundation is a great help to the poor community like us. It is very difficult to travel to Tangalle Town for Medical Treatment and this Clinic is very important to us. Therefore I humbly request from you all to function this Clinic further. Kindly request for a Specialized Clinic. Thank you.
