Starts at 6 a.m. ET

The Senate Judiciary Committee grills Supreme Court nominee **John Roberts** ([search](#)) out of the gate — on everything from abortion to voting rights. We'll get a read on how Roberts handled the hearing from defense attorney **David Oblon**.

Starting over after **Hurricane Katrina** ([search](#)) is a difficult and incredibly emotional task for anyone — but especially a child. **Dr. Martina Fuchs**, founder of the Real Medicine Foundation, updates us on her work with young hurricane evacuees.

And, why are survivors of Katrina at their most vulnerable period right now? We'll ask **Dr. Georgia Witkin**, FOX News contributor and author of "Stress Relief for Disasters Great and Small."
