#### REAL MEDICINE FOUNDATION

The Real Medicine Foundation uses an Integrative Health Care Model to address some of the developing world's most important issues, such as malaria, maternal and infant mortality, HIV/AIDS, malnutrition and literacy. Their innovative approach to delivering international aid and providing sustainable, integrated solutions is reinventing medicine as we know it. #### URBAN ZEN FOUNDATION

The Urban Zen Foundation creates, connects and collaborates to raise awareness and inspire change in the areas of well-being, preserving cultures and empowering children. We design forums, partner with existing organizations and bring together experts to define solutions and implement action.
